Your Logo
Here

100% Brandable

We provide the Software, you provide the show. Change just about everything your viewers can see, implement your logo, change background colors and more. Make AmbientStream your own! We give you complete customization! No HTML or Coding Skill Required!

Multiple Presenters

AmbientStream allows you to quickly and easily change video feeds allowing you to have multiple presenters. Exchange them out with the click of a button. On Break? Set the video window to "Screen Saver Mode" until you're ready to broadcast again!

Produce Editable Archives (Full Service Available)

Record your broadcast with the click of a button! Record as many as you want, and we'll help you edit, optimize, and resell them for free with our Shopping Cart Utilities. Don't need us? Have 24/7 access to your archives via ftp.

Support for Animations, 3rd Party Video and More!

AmbientStream supports virtually any type of 3rd Party content! Powerpoint Slides, Flash Animations, Video. Easily share 3rd party media with your viewers with the click of a button! Clients are limited only by their imagination.

Nothing to Download or Install!

AmbientStream runs entirely in your browser and has been optimized for use in Internet Explorer, Firefox, Safari, Opera and more! There is no software to download, plus you can access from any part of the world!

Full Service Event Management

All you have to do is schedule your presentation and give it! We'll take care of registration, marketing, reporting, and overall management of the event for either a fraction or no cost to the client! Let AmbientStream take care of the heavy lifting, so you can focus on providing a great presentation.

Full Service Technical Support

We built the software, we support it too. Do you have an issue? Does one of your viewers have an issue? AmbientStream Technical Support is only phone call away. We'll solve problems, and streamline your event for you.

Free Updates

AmbientStream is constantly evolving. Get the latest updates and new features without paying for them...ever.
